

Dear SACEM,

My name is Josh Island and I would like to express my interest in joining the advisory commission of SACEM Luxembourg.

I've been a singer-songwriter, recording and touring artist based in Luxembourg since 2015, when I first started recording music and performing concerts. Since then, I have recorded two EPs and an album, toured around Europe, supported artists like James Morrison and Passenger, and collaborated with producers and songwriters in Lisbon, Amsterdam and Cyprus. I am intrigued by all aspects of music copyright and royalties, and have been a member of SACEM since around 2015. Please find my website here: <https://joshisland.com/>

It would be my honour to take up a role on the commission. I am currently based between Luxembourg and Athens, and will for some meetings have to participate virtually, but other than that am fully invested into being a part of this dedicated commission.

Thanks for your consideration.

Kind regards,

Josh Island
